Te Rāpaki o Te Rakiwhakaputa

RACE PACK & ENTRY DETAILS

16 Rima / September 2022

Karanga ki te uru
Karanga ki te tonga
Karanga ki ngā hau e whā
Ko te karanga o te kaihao pioke e karanga nei. Tēnā koutou.

Nau mai, tauti mai ki te rā whakanui waka ama ki Te Rāpaki o Te Rakiwhakaputa.

Te Hapū o Ngāti Wheke would like to invite you to compete in the 2022 Pioke Pursuit to be held on Sunday 30 October 2022 at Rāpaki. The name Pioke Pursuit refers to one of our local taonga species, Pioke / Rig or Spotted Dogfish that is a significant part of our identity and mahinga kai (food gathering) traditions.

This race is based on a pursuit style event that was first undertaken at Rāpaki in 2003 and hosted by Te Waka Pounamu Outrigger Canoe Club. The idea is to have a fun event, requiring little set up and minimal equipment, but that helps both novice and experienced paddlers and crews gain practice in both sprint racing and turns, and as a way to prepare for the Te Waka o Aoraki Regional Sprints in December. We are also holding the event as a way of getting our own whanau from Rāpaki involved in waka ama.

The pursuit races will be competed over 1000m for W6 Open/Adult teams and over 400m for W6 Junior crews. All racing is in Mixed teams for both Opens and Juniors – with a maximum of 20 teams across all grades. Included below is the race information you will need to get your team entered and to understand the race format. Steerers will be provided for teams who may require them, so please indicate this when completing your entry.

We would like to ask that participating clubs please bring along a mahimahi W6, as well as your own paddles, lifejackets and bailers. Other equipment, including buoys and facilities will be provided. We are hoping to have food available for purchase on site as well as getting some prizes for the event. If you can help out with providing waka and anything else to assist with the event, please let us know. The day will begin with a mihi whakatau and karakia in front of Wheke marae, followed by a race briefing for all competitors and spectators.

Te Hapū o Ngāti Wheke and Te Waka Pounamu look forward to your participation and seeing you all there.

PLEASE ENTER BY Friday 14 OCTOBER 2022

Entry Fee: \$2 per junior paddlers & \$5 per open paddlers

RACE RULES

❖ **GENERAL:** Waka Ama NZ Sprint Race rules apply, except where otherwise noted below.

❖ **PURSUIT RACE FORMAT:** Races will be run on a specially designed 'pursuit course'. Only 2 canoes will be in each race. Each crew will line up, facing opposite directions, on a start/finish line in the middle of the course. Once started, the crews will travel in opposite directions towards opposite ends of the course where they will turn around a turning buoy then proceed back past the start/finish line to the other end of the course where they will turn again and head back to the start/finish line.

- ❖ **COURSE:** The course has a simple three buoy set up. One buoy in the middle of the course indicating the start/finish line and one turning buoy at each end of the course. The turning buoys for 1000m races are 250 metres from the start/finish buoys, and at 100 metres for 400 metre (junior) races.
- ❖ **TURNING:** There will be no limitations on how wide or short the turn needs to be, however waka must finish no wider than 20 metres from the start/finish line buoy. Furthermore, race organisers reserve the right to disqualify crews if any paddling is deemed to be dangerous. It is also important to remember that closer turns are what are required to compete at the Te Waka o Aoraki and National Sprint Championships.
- ❖ **RACE RESULTS:** We hope to give each team four races, which will be timed. Times from the first 3 races will be added together and averaged resulting in a rank which will determine the places for the finals (Final A, B, C etc). If a crew DQ or DNF they are nominally granted with the slowest heat time of that round to allow their average time to be worked out.
- ❖ **WAKA:** Mahimahi W6 canoes will be used and we are asking each participating club to bring one each. A total of 4 mahimahi are needed as a minimum. Waka will be randomly allocated to crews for each race.
- ❖ **SAFETY EQUIPMENT:** All waka are to carry at least 1 bailer and 1 spare paddle, and lifejackets must be worn by each paddler. This is to create one simple rule for all paddlers and support our Whakaraupō/Lyttelton Harbour by-law.
- ❖ **MIXED CREWS:** All crews must be mixed and must consist of a minimum of three (3) wāhine/female paddlers.
- ❖ **JUNIOR CREWS:** J19/J16 is for paddlers aged 19-14. Intermediate is for paddlers aged 11 to 14 (although they can be younger). Midgets is for paddlers aged 6-10. Adult steerers are able to be used for all junior grades but can only 'jam' steer, and cannot provide forward propulsion. Steerers can be provided for junior crews and can be indicated on your entry form. Please note that some J19 crews may be put in the open mixed grade depending on entry numbers and capability.
- ❖ **SAFETY:** The race director (Craig Pauling) has overall control and responsibility for the event and all event related directions from race officials must be complied with. Lifejackets, bailers and spare paddles are to be carried / worn as stipulated above. Weather and water conditions will be assessed ahead of the event, as well as throughout the day of the event. Constant high winds, strong gusts, high swells and dangerous current, as well as poor water quality could mean racing is cancelled or suspended. Race officials also have the discretion to withdraw any competitor, crew or waka, which in their opinion is or will be endangering their own safety or the safety of others. A pre-race briefing will provide an update of conditions, key risks as well as rules ahead of the event starting. All waka will also be safety-checked ahead of racing and it is hoped that Coastguard will be on site to provide additional safety support.
- ❖ **PENALTIES/DISQUALIFICATIONS:** If you are over the start line on the starting call you will receive an automatic 10 second penalty. If you are deemed to be paddling dangerously you may be disqualified.
